Dear Sir,

This letter is to express my profound appreciation for the dignified and professional manner in which members of your department recently handled a matter at Sagar pur police station (S.H.O RICHPAL SINGH & OTHER OFFICER OF SAME THANE) The date was 21.06.2013
I made a call at women's help line 181 at 6.19 pm to make a complain for one guy who was passing abusive n wrong comments from past 1 month... the way these officers handled the situation with poise and dignity specially by the S.H.O were a comfort to us. I commend them for their good work & i am great thank ful to all the officers. In addition MR RICHPAL SINGH also guided us by all the possible help which police department can provide us .

Regards
