Subject: Rejoinder about news item “Files on Game security plan stolen from official’s car”

Sir,

This refers to the captioned byline news item appeared in the newspaper Pioneer on 5-11-2009. The headline of the news item which claims that “Files on Games security plan stolen from official’s car” is factually incorrect and misleading

It is clarified that on 3-11-2009 Shri Rahul Singh, Admin Assistant (Security), Commonwealth Games Organising Committee had lodged a report at P.S. Cannaught Place that a head unit (Mouth) of stereo make- Kenwood and papers related to the car were found missing from his car parked at the basement NDMC, Commonwealth Games Building, Jai Singh Road. A case under section 380 IPC vide FIR No. 228, dated 3-11-2009 has accordingly been registered. Investigation is in progress.

It is quite surprising that despite verifying the facts from the Addl. CP/New Delhi Distt who denied the theft of documents related to security plan, the news item carried an incorrect and baseless headline.

In view of the above facts and circumstances, it is clear that there was no theft of any security related or official documents whatsoever as reported in the headline of news item.

It is therefore, requested that the correct facts of the matter may please be published with the same prominence for the reader of your esteemed news paper who might have been misled by reading the headline of news item.
