I came by rickshaw from Laxmi Nagar side and drop near barricade. when I was crossing the road a biker came from Shakarpur overspeed at once const. Sonu came running very fast and push me back and saved my life, he came running like God sent devdoot to save my life. He again help me to drop me my house on his bike, the concern shown was something which delight my heart and made me write the E-mail to put on record the need to encourage kind of people and appreciate them for servicing to the citizens. In the last I requested you kindly allow me to give some reward both the constable through you.

Thanking You
