It's a example of great human being behind a proud uniform of Delhi Police of PCR **Incharge Mr Rajbir 566 PCR , Gunman Mr Devender 7292 PCR ,** and Driver **Mr Sarjeet 11348** of **PCR No Z-51 on 22<sup>nd</sup> of Oct 2013 .**

I was suffering with severe headache and badly shivering in my CAR near Dhaula kuan and was not able to drive or to speak any body due to pain and senseless situation ,at that time only Delhi Police was there who helped me , They took me to nearest Hospital ( R R Hospital ) and helped me to get treated properly , they driven my car to hospital parking and parked at a safe place , they were there with me till my family members not reached to me .

I really appreciate the work and help given by Delhi police .

Thanks & Regards
